Group Scores

Main Question Set

70%

Great job passing the homework! Your overall score is based on the results from the first ten Main Questions

only. Try the Bonus questions, no matter how hard they seem. You'll learn a lot, no matter what!

Bonus Challenge Questions

71%

Congratulations!! You solved some of these extremely hard Bonus Challenge Questions! The best thing is that you've overcome the challenge of doing something new. Feel great about what you've done, and keep on trying the ones that you didn't get, for more challenge!

Super Bonus Questions

33%

Wow!! Amazing job!! If you figured out one of these incredibly hard questions, then you really know your stuff, and, most importantly, you know how to really think! If there are some questions that still stumped you, come back to them later on. Never give up on a problem -- each one is an opportunity to get better at thinking!
